2. Complete Module 7

Read through Module 7. This Module uses Fireworks and you will need to edit images in your site as detailed in each lesson. The images must be .gif/.jpg/.png files (not Flash). After you edit your image, resubmit each lesson to raise your grade. **Once you complete Module 7, we will need to talk for the Module 7 Oral Exam.**

3. Remaining Assignments:

Don't forget to complete and submit 8.01 and 8.02. In addition, feel free to resubmit any assignment in Modules 5-8 to raise your second semester grade.

I expect you to submit at least 2 assignments a week. I know you can do this! Please call me with any questions.
