

Task 7C: Segment 1 Exam

Review Guide

Watch Review Session

- [Review Session](#)
- This recording of a review session will help answer questions and prepare. Take Notes.

Review Module Exams

- The Modules exams are a great way to get a feel of the type of questions on the segment exams. Look in your gradebook and review these exams. Take notes and **look up all of the answers you missed**.

Review Tasks that did not have Projects

- Some of the following tasks were easy to forget, since there may not have been an assignment to complete. Go back and reread these lessons and take notes.
- These lessons include (but aren't limited to): 1A-C, 2A, 2C, 3A, 5A, 5C, 6A, & 7A.

Review Tab Questions

- Each Teenspace has a tab for "Review". This lists some questions and answers to help you prepare. Go through these questions and take notes.

Questions? ASK!

- Call/Email/Text me 😊
- Pop into the Live Help Room. Teachers are available to answer questions and screen share to help you understand a concept. The times are posted on my announcement page

Remember, you can only take the exam once. Take your time when testing and USE YOUR NOTES. I know you can do this!

GOOD LUCK!
